

CHRONIC CATARRH

Follows Repeated Colds When Blood Is Impure.

Your body suffering from a cold does not properly attend to digestion and elimination. As a result your blood becomes impure, it inflames the mucous membrane and brings about that condition in which chronic catarrh occurs and on which it depends. Purify your blood, make it clean, by taking Hood's Sarsaparilla, and if your bowels are not healthfully active, take Hood's Pills. These medicines have relieved and prevented thousands of cases of chronic catarrh. Economy is one of the strong points of Hood's Sarsaparilla—100 doses in a bottle. Why not get it to-day?—Adv.

WHY DRUGGISTS RECOMMEND SWAMP-ROOT

For many years druggists have watched with much interest the remarkable record maintained by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder medicine.

It is a physician's prescription. Swamp-Root is a strengthening medicine. It helps the kidneys, liver and bladder do the work nature intended they should do.

Swamp-Root has stood the test of years. It is sold by all druggists on its merit and it should help you. No other kidney medicine has so many friends. Be sure to get Swamp-Root and start treatment at once.

However, if you wish first to test this great preparation sent ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle. When writing be sure and mention this paper.—Adv.

BASKETBALL SEASON IS NOW UNDER WAY

Goddard's First Game Is With Norwich Freshmen on Dec. 7

The basketball season at Goddard seminary has every indication of being much more successful than the football season was in that a larger number of games are scheduled and that the students now realize the necessity of standard scholastic work in order to participate in athletics. The schedule of games procured by coach and manager Joseph Leahy is a large one, games beginning before the Christmas vacation and continuing until the Easter vacation. It is as follows:

Dec. 7, Norwich freshmen at Barre.
Dec. 14, Spaulding high school at Spaulding gymnasium.
Jan. 7, American Legion of White River Junction at White River.
Jan. 8, Dartmouth freshmen at Hanover, N. H.
Jan. 14, St. Michael's college at Winooski.
Jan. 18, Montpelier seminary at Montpelier.
Jan. 28, American Legion post of Barre at Goddard.
Feb. 4, Montpelier seminary at Barre.
Feb. 11, Spaulding at Goddard (pending).
Feb. 17, Holyoke high at Holyoke, Mass.
Feb. 18, Connecticut Literary institute at Suffield, Conn.
Feb. 19, Williston seminary at East Hampton, Mass.
Feb. 21, Chicopee high at Chicopee, Mass.
Feb. 26, Fitchburg State Normal school at Barre.
March 4, Laconia high at Barre.
March 11, St. Johnsbury Legion at St. Johnsbury.

With such a prospective season before him and his teammates, Captain Elmore Kelley started practice early and they already have been drilling at the school gymnasium during the past three weeks. The material is very promising and there seems to be possibility for a very strong team at the seminary this year.

It will be noticed relations in athletics have been resumed with Montpelier seminary and Spaulding high.

DARTMOUTH PROSPECTS GOOD.

Will Lose Few of Regular Football Men This Year.

Hanover, N. H., Dec. 2.—James E. Robertson, leader of this year's Dartmouth eleven, was unanimously re-elected captain of next year's team. Robertson prepared for Dartmouth at Worcester academy. He played on both the freshman football and hockey teams, captaining the former. He was a regular member of the varsity last year until the Pennsylvania game, when the big fellow's leg was broken. Last spring he played first base on the varsity baseball team. This year injuries have handicapped him more or less as his shoulder was broken in the Penn State game. He is a member of the Delta Kappa Epsilon fraternity and the Sphinx senior society.

Prospects for next year's team are brighter than ever. Of the regular team but a few veterans will be lost. Texas Bill Cunningham at center and John Shelburne, fullback, will graduate this June. Pat Holbrook, halfback, and Mel Merritt and Norm Crisp, guards, will also leave the New Hampshire institution.

Of the front line due back next fall is Gus Sonnenberg, rated by many as an all-American tackle; Eddie Lynch, whose work stood out in the Washington game; Gordon and Threshie, all wing men of high caliber. Neidinger and Aschenback, tackle and guard, respectively, will return to Hanover, as will Dorney, Swenson from Illinois, who was ineligible this year, will be a tower of strength on the line and Murphy, brother of the famous Cuddy, a member of the 1924 eleven, is expected to outshine his brother. Submeier, substitute center this season, is also to return.

In the backfield Jordan at quarter, Captain Robertson at full, Chick Burke, halfback, will all be members of the 1921 squad. Captain Harris of this year's freshman team, will make a strong bid for a berth. With this array of material to work with head coach Spears and his assistants ought to turn out an even stronger outfit than those of the past two seasons.

Chicago, Dec. 2.—Invasion of the east by the Western Golf association as a part of a plan to bring all the golf clubs of the country under the same set of rules, is proposed in amendments to the Western association's constitution and by-laws submitted by mail to the directors today.

The changes, to be voted on at the annual meeting on Jan. 15, involves adoption of a new name, the American Golf association, which "would act as the authoritative administrative body for making and enforcing the rules for the playing of golf in the United States."

There have been rumors of a golf war between the W. G. A. and the United States Golf association, the controlling body in the east, for several years, but the war in Europe prevented an open break.

One of the chief purposes of the new organization would be to revise those rules which it is said were originally intended for Scotch and British courses and are not practical for American courses.

SMASHED ALL WINDOWS

Regardless of Political Views of Their Owners.

London, Dec. 2.—Uniformed men visited Killarney, Ireland, early to-day and indiscriminately smashed nearly all the windows in the business section. Damage estimated at several thousand pounds was done with small hammers and stones, says a Cork dispatch to the Evening News.

The crime, it is said, appears to have been conceived in a mere mania for destruction, as the property attacked belonged to people of most conflicting political views and of different religious denominations.

VERSHERE

It reminds one of the good old Pilgrim times to have so many Thanksgiving gatherings. The Freeman Spear family gathering was at the home of the youngest daughter, Mrs. Joseph Sleeper. The family were all there except the son, Henry, of New York. John Sleeper has sold his farm, stock and tools to Mr. Bouchard of Fall River, Mass. Mr. Sleeper's family is to occupy the parsonage for the winter. Ira Reed seems to be on the gain. H. E. Hood's mother is visiting him. Miss Ula Orr was home from Plymouth, N. H., for Thanksgiving at home.

Don't Stay Run Down

If you have been indiscreet in eating, living habits, or your system taxed by overwork, and you have become all run down, don't stay that way. It is dangerous, as you are in a condition to take on many other more serious diseases. Build yourself up again by simply taking from 10 to 20 drops of SEVEN BARKS in a little water after each meal, and watch how quickly you will regain your normal health again.

People beyond the age of middle life cannot stand what they used to, and have to be more discreet in all of their modes of living. The majority of such people need to take occasionally a good stomach and liver regulator, for it is an indisputable fact that by keeping the liver active and the digestive organs cleansed and in proper working order, old age can be deferred and life prolonged far beyond that enjoyed by the average person. To attain this there is no better remedy than SEVEN BARKS, which has for many, many years faithfully and successfully served the public.

If your system gets run down, take warning, or you will be sorry when it's too late. Take plenty of exercise, fresh air, keep good hours, eat moderately of the right kind of food, and tone up your stomach, liver and kidneys by taking SEVEN BARKS. For sale by druggists, 60 cents per bottle.—Adv.
